Men: Step Up Your Game at Denver's [ReDerm MD Medical Spa](#)

Enter for a chance to win a unique set of treatments, designed especially for men to restore their competitive edge.

Denver, CO, May 19, 2015 – Learn how men are freezing away their fat. Working out and eating right doesn't always get the results you're looking for. Sometimes you need a little help getting rid of those "love handles" or your "spare tire." With our [CoolSculpting](#) technique, those targeted fat cells are frozen, crystalized and killed...then eliminated from your body naturally.

Developed by Harvard scientists, this FDA-cleared new technology removes that stubborn fat without any invasive procedures, needles, surgery or downtime! It's that simple.

Dad's, this is for you! Book your complimentary CoolSculpting consultation (30-minute appointment) and you will be eligible for our **HUGE Father's Day Giveaway, (a \$2,200 value!)** delivered by our [expert, experienced staff](#).

Contest Rules:

You need to complete your FREE CoolSculpting Consultation by Friday, June 12, 2015. While you're at the ReDerm office, you simply enter your name into our drawing. Winner will be announced on Monday, June 15.

What do you win?

- CoolSculpting treatment – get rid of the love handles, beer gut or man boobs
- Gentleman facial – remove damage caused by the sun, acne, etc., & look refreshed
- [Laser skin rejuvenation](#) – address age spots, scars and wrinkles to improve texture & look younger
- In-office teeth whitening – remove stains, gain confidence
- Botox or "BROtox" - 20 units to minimize lines and wrinkles and restore your competitive edge
- 1-hr fitness and nutrition assessment with our partners at [Inward Fitness](#); learn new ways to maintain your sexy CoolSculpting shape
